SECTION 13 FEES

- 13.1 All proposals must be calculated based on the menu(s) in Exhibit B. All proposals shall be submitted using the *Proposal Summary* form attached herein. The proposal price(s) must not include the use of commodities or any alternate pricing structure. All rates must be written in ink or typed in the blank space(s) provided and the estimated totals must be carried out to the second decimal place and must not be rounded.
- 13.2 Gross Sales shall be remitted to SFA or deposited in the nonprofit food service account on a daily basis. FSMC shall be paid a fixed meal price for each Reimbursable Meal and Meal Equivalent provided by the FSMC under this Agreement.

- 13.3 The total cost shall include SFA's salary and benefits, indirect cost, commodity and other SFA cost. These are SFA direct pay items that must be funded from Food Service Program revenues but are included in the Fixed Meal Price paid per meal to FSMC. A meal or meal equivalent shall be calculated as follows:
- 13.3.1 A reimbursable student lunch and paid adult lunches are counted as one meal equivalent for each lunch served. A reimbursable student breakfast and paid adult breakfast are counted as one half (.50) of a meal equivalent for each breakfast served. A reimbursable student afterschool snack is counted as one quarter (.25) of a meal equivalent. A la carte food sales are converted to meal equivalents by dividing the total amount of a la carte sales by four dollars and zero cents (\$4.00).
- 13.4 The FSMC shall invoice the SFA at the end of each accounting period as determined by the SFA. Invoiced amounts shall be paid within 15 (days) after receipt of the invoice. Reconciliation shall be made for any over-payment or under-payment on the invoice for the next accounting period. Invoices to the SFA must include a statement that documentation is available at the SFA Food Service office or reasonably accessible to support the invoice and any auditing process. All clerical/recordkeeping requirements of the Food Service operation shall be completed by the staff, both SFA and FSMC, assigned to the SFA Food Service office. Upon termination of the Agreement all outstanding amounts shall be paid within thirty (30) days. In addition, FSMC and SFA shall perform a final reconciliation of the records and FSMC shall either invoice SFA for amounts due or refund SFA for any overpayment resulting from such reconciliation.
- 13.5 The FSMC shall receive no payment for meals that are spoiled or unwholesome at the time of serving, that do not meet the detailed specifications for each food component or menu item in accordance with 7 C.F.R. 210, or that do not otherwise meet the requirements of the contract.
- 13.6 The FSMC must subtract from the SFA's monthly bill/invoice the value of all USDA Foods received. Credit issued by the FSMC to the SFA for USDA Foods receipts shall be recorded on the monthly bill/invoice as a separate line item entry and shall be clearly identified and labeled.
- 13.7 The FSMC shall submit separate billing for special functions conducted outside of the nonprofit school food service account.
- 13.8 The fixed meal rate for meals must be calculated as if no USDA Foods were available.

SECTION 14 REVENUE

- 14.1 The SFA shall receive all revenue from the food service operation.
- 14.2 The food service revenue shall be used only for the SFA's nonprofit food service.
- 14.3 The food service revenue shall flow through the SFA's chart of accounts.
- 14.4 All goods, services, or monies received as the result of any equipment or government commodity rebate shall be credited to the SFA's nonprofit food service account.
- 14.5 If reimbursement is denied as a direct result of the failure of the FSMC to comply with the provisions of this Contract, the FSMC shall assume responsibility for the amount denied.

- 15.1 Throughout the Term of the Contract and each renewal Term, the FSMC shall obtain and maintain all applicable licenses, permits, and health certifications required by federal, state, and local law.
- 15.2 The FSMC shall have state or local health certification for any facility outside the SFA in which it proposes to prepare meals, if applicable, and must maintain this health certification for each Contract Term.
- 15.3 The FSMC and all affiliates shall collect and remit Florida Use Tax on all sales of tangible personal property in the State of Florida in accordance with applicable state statutes.

SECTION 16 RECORD KEEPING

- 16.1 The FSMC shall maintain such records as the SFA will need to meet monthly reporting responsibilities and will report claim information, including daily meal counts, to the SFA promptly at the end of each month.
- 16.2 The FSMC shall have records maintained and available to demonstrate compliance with the requirements relating to USDA Foods. Such records shall include the following
 - 16.2.1 The receipt, use, storage, and inventory of USDA Foods;
 - 16.2.2 Monthly inventory reports showing all transactions for processed and non-processed USDA Foods; and
 - 16.2.3 Documentation of credits issued to the SFA for USDA Foods received; and
 - 16.2.4 Documentation of credits issued to the SFA for USDA Foods owned by the SFA prior to the contract execution date.
- 16.3 The FSMC shall retain all records relating to the initial contract and all subsequent renewals for a minimum of five (5) years or the longer of the retention periods required by federal, state or local laws and regulations that govern the SFA regarding recordkeeping and records retention.
- 16.4 All records must be maintained for the longer of the retention periods specified above for the purpose of making audits, examinations, excerpts, and transcriptions by representatives of the SFA, the FDACS, the USDA, and the Auditor General, and other governmental entities with monitoring authority at any reasonable time and place. If audit findings have not been resolved, the records shall be retained beyond the specified period as long as required for the resolution of the issues raised by the audit.
- 16.5 The FSMC accepts liability for any over-claims due to FSMC negligence or noncompliance with regulations, including those over-claims based on review or audit findings.

SECTION 17 TERMS AND TERMINATION

- 17.1 This Contract is effective for a one-year period, commencing 07.01.2023 or upon written acceptance of the Contract, whichever occurs last, and ending 06.30.2024 ("contract term" or "term"). This contract will be renewable on an annual basis, upon mutual agreement of the SFA and FSMC, for up to four (4) additional years (each year a "renewal term").
- 17.2 Renewal of this Contract is contingent upon the fulfillment of all Contract provisions relating to USDA Foods.

- 17.3 Either the SFA or FSMC can terminate this Contract for cause or for convenience with a sixty- (60) day written notification. Following sixty- (60) day written notification, the SFA can terminate this Contract in whole or in part without the payment of any penalty or incurring any further obligation to the FSMC.
- 17.4 Following any termination for convenience, the FSMC shall be entitled to compensation for services completed upon submission of invoices and proof of claim for services provided under this Contract up to and including the effective date of termination. The SFA shall have the right to receive services from the Contractor through the effective date of the notice of termination, and may, at its election, procure such work from other contractors as may be necessary to complete the services.
- 17.5 Notwithstanding any provision to the contrary in this Contract, obligations of the SFA will cease immediately without penalty of further payment being required if sufficient funds for this Agreement are not appropriated by the Florida Legislature or a federal funding source, or such funds are otherwise not made available to the SFA for payments in accordance with this Contract.
- 17.6 Notwithstanding the notice period in paragraph 16.3, the SFA may immediately terminate the Contract, in whole or in part, upon notice to the FSMC if the SFA determines that the actions, or failure to act, of the FSMC, its agents, employees or subcontractors have caused, or reasonably could cause jeopardy to health, safety, or property; or if the SFA determines that the FSMC lacks the financial resources to perform under the Contract.
- 17.7 If the FSMC fails to perform to the SFA's satisfaction any material requirement of this Contract or is in violation of a material provision of this Contract, the SFA shall provide written notice to the FSMC requesting that the breach or noncompliance be remedied within sixty- (60) days. If the breach or noncompliance is not remedied by the specified period of time, the SFA may either: (a) immediately terminate the Contract without additional written notice or, (b) enforce the terms and conditions of the Contract, and in either event seek any available legal or equitable remedies and damages. The SFA may finish the services by whatever method the SFA may deem expedient. Any damages incurred by the SFA as a result of any FSMC default shall be borne by the FSMC at its sole cost and expense, shall not be payable as part of the Contract amount, and shall be reimbursed to the SFA by the FSMC upon demand.
- 17.8 Neither the FSMC nor SFA shall be responsible for any losses resulting if the fulfillment of the terms of the Contract is delayed or prevented by wars, acts of public enemies, strikes, fires, floods, acts of God, or any other acts which could not have been prevented by the exercise of due diligence ("Act of God"). The SFA may cancel the Contract without penalty if the FSMC's performance does not resume within thirty (30) days of the FSMC's interruption of services due to an Act of God.
- 17.9 The only rates and fees that may be renegotiated in subsequent years of this contract are the fixed rates and fixed fees contained herein. Before any fixed rate or fee increases can be implemented as part of a contract renewal agreement, the FSMC shall document to the SFA, through a written financial analysis, the need for such increases. Renegotiation of all fixed rates and fees in subsequent years of the contract must not exceed the *Consumer Price Index for Urban Consumers—Food Away From Home* annualized rate for December of the current school year. Individual per meal fixed rate and applicable fixed fee increases cannot exceed *the CPI Index* as stated above. Percentage increases cannot be applied to any previous year's total estimated or actual contract cost. The calculation method regarding the determination of a la carte equivalents is outlined in the *Fees* section of this contract.

- 18.5 No course of dealing or failure of the SFA to enforce strictly any term, right, or condition of this Contract shall be construed as a waiver of such term, right, or condition. No express waiver of any term, right, or condition of this Contract shall operate as a waiver of any other term, right, or condition.
- 18.6 Payments on any claim shall not prevent the SFA from making claim for adjustment on any item found not to have been in accordance with the provisions of this Contract.
- 18.7 It is further agreed between the SFA and FSMC that the exhibits, attachments, and clauses attached and designated are hereby in all respects made a part of this Contract.

Instructions for Certification

- (1) By signing and submitting this form, the grantee is providing the certification set out on pages one and two in accordance with these instructions.
- (2) The certification set out on pages one and two is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- (3) Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- (4) Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- (5) If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s). If it previously identified the workplaces in question, see paragraph (3) above.
- (6) Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:
 - "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act, 21 U.S.C. § 812, and as further defined by 21 C.F.R. §§ 1308.11-1308.15.
 - "Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes.
 - "Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance.
 - "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) all "direct charge" employees (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement, consultants or independent contractors not on the grantee's payroll, or employees of subrecipients or subcontractors in covered workplaces).
